We have established Taqweem with the aims to provide support through quality education, Health, and Income generating programs for the less privileged segment of the society and contributing in sustainable development goals. Taqweem is making all efforts to promote peace, harmony, and unity amongst different communities through education, counselling, training, vocational skills, etc.

In order to produce respectable production valuable and useful workforce contributing towards development of the country in particular and world in general. Taqweem e Pakistan has 11 years of experience running welfare and social development projects in various communities across Pakistan

## Educate Pakistan

President of Taqweem e Pakistan Welfare Organization Ms. Feroza had the vision to initiate a platform where quality education for underprivileged children should be made possible. The journey started with 30 students in a one-room school in Noorani Basti, Korangi, Karachi. Which is now offering free-of-cost quality education to 150+ Students from underprivileged communities.

Educate Pakistan is delivering learning skills, life skills, and literacy skills to its students. Mr. Saeed Ahmad Pirzada was running the school in the name of his late Father Khursheed pirzada. You too can run a school in the name of your dear parents
